Coat/Warm Clothing Drive Continues

Christmas has come and gone, but winter is still here and there are many people in Santa Clara County who need warm clothes to get through this cold season. We can help by donating **GENTLY WORN, WARM OUTERWEAR**. All sizes of coats, jackets, hats, gloves, sweaters, and sweatshirts will help the needy families in our area. Could you please go through your dresser, clean out your closet, donate those clothes that don't fit anymore and help Rolling Hills Middle School help others!!! PTA has set up bins by the office to put your donations in.

**PLEASE HELP US HELP OUR
COMMUNITY.**

Congratulations to Rex Gao

Rex Gao, Rolling Hills School Champion bested all comers from Monroe and Campbell Middle Schools last Wednesday at the Campbell Union School District 2nd Annual Spelling Bee. Rex, who last year made it all the way to the Regional Bee, will once again represent RHMS in the Scripps National Spelling Bee. Congratulations to Rex and all of our great spellers.

24 Hour Attendance – 341-7061

Attention 8th grade parents: We want your feedback.

Please fill out the survey about this year's fall student conferences. The survey is online, and the link can be found on your school's webpage. If you would prefer to fill out a paper survey, please make sure your child returns it to the school as soon as possible. If you did not receive a paper survey and you would like one, please let your school office know.

Dear Rolling Hills Parents:

As you know, Campbell Union School District prides itself in emphasizing a College Going Culture. We offer courses that help students complete some college prep requirements in middle school, and we offer courses with an emphasis on preparing for college. In that spirit, each middle school is offering an evening presentation for parents which will provide you with information to help you navigate high school with an eye on entering college. There will be speakers from both the UC and CSU systems and representatives from the Culinary Institute and the Community College District. There will be informational tables and time for questions and answers after the presentations.

We are inviting every 8th grade family to attend, but we also want to extend the invitation to all of our families. The presentation will take place on Tuesday, January 26, 2010, at 7:00 pm in our gym. Please join us for this important meeting
